COVER: Gary Bingaman

Gary Bingamon of Waynesboro, Pennsylvania reports that "when I bought my 1965 Falcon Futura years ago, it cried for some TLC." After two years of work, it's all original, right down to the engine decals. Gary says "I got a lot of help from a lot of FCA members."

"Do you have a photo of your Falcon that you think should be on the cover of The Falcon National News?"

You've seen this question every month. You think your Falcon is a cover contender. Now's the time to get your Falcon photo on the cover! See page 4 for details.

President's Message

When was the last time you thought about the many benefits of joining a great club like the Falcon Club of America, the best car club in the country?

Newsletter - Every month you receive the The National Falcon News, a Golden Quill Award Winner. This is your newsletter; you supply all of the pictures, Tech Tips, ads and stories. Your Editor, Wendy, puts it all together and Jo at BPI printing does the printing and mailing.

Friendship - I don't know of another car club where you could find more friends. Have you ever known a fellow Falcon Lover to not help lend you a hand or a part? There are over 40 local chapters of the Falcon Club. If there is one near you, join in on the fun. If not contact Jan Brown our Chapter Coordinator and get one started.

Club Store - Bonnie and Mary have stocked the store with a great selection of top quality Falcon Goodies.

Technical Advice - Tips are supplied in the Falcon News, Bob Passino and his trusty group of tech advisors are only a phone call or a letter away, the Tech Tips book is available from the club store, and other members of the club are always willing to assist.

Location of Parts - Partsmaster, Gerald, is as close as a letter. Classified ads and vendor ads are published in the Falcon News monthly.

National Meet - For the past 21 years the Falcon Club has held a National Meet. The National Meet is the best place to meet fellow Falcon lovers, build friendships, buy parts/cars and see great looking Falcons.

Regional Meets - Last year your local Chapters hosted 6 Regional Meets. This year it looks like we may have 5 regional meets.

Insurance - You are covered with a liability insurance policy at all club sponsored events. One of the questions on most antique auto policy applications is, are you a member of a car club.

Historical Information - Research Director, Ray Roberts, has compiled a large amount of information on the Monte Carlo Falcons. Head Tech Advisor, Bob Passino, is also the club librarian. Internet Director, Dave Wagner keeps the award winning Web site running.

Vendor Information - In addition to the vendor ads in the Falcon News, many of the vendors work closely with the club with sponsorships and reproduction of parts.

Like the idea behind the first Falcon, club membership is a good value for your dollar.

Spring just around the corner and with spring comes the Car Show and Swap Meet season. In addition to gathering up your cleaning supplies for the car shows and your extra parts for the swap meet, don't forget to take your Falcon Supplies. You know, the 'Did you know there was a Falcon Club' cards, extra copies of old Falcon News, National applications and registration forms for the National Meet. If you need Falcon supplies please contact Ruby. Let's get those pretty Falcons out where everyone can see them and let car lovers everywhere know about our great club.

New FCA Golden Gate Chapter Planning Ahead

The Golden Gate Chapter is the newest addition to the FCA family of local Chapters. The Golden Gate membership area includes the counties of Monterey, Santa Cruz, Santa Clara, San Mateo, Alameda, Contra Costa, San Francisco, and parts of Marin.

Geoff Belleau is President. He provided most of the photos used in the December 2000 convention issue, a huge help. Vice President Alex Gerrits is always willing to pitch in and help things work out smoothly. The group energy and enthusiasm are big advantages for the Falcon Club of America. For information, contact Bob Snider, 510-278-0519, email: bsniderusa@yahoo.com

Here are a few upcoming events the Chapter is planning:

March 24, 2001— Golden Gate Chapter, FCA, cruise from the Round Table Pizza at 530 Main Street, Pleasanton, CA, to the Goodguys car show/swap meet at the Alameda County Fairgrounds. Leave at 7:00 AM. Bob Snider, 510-278-0519, email: bsniderusa@yahoo.com

March 24, 2001 Golden Gate Chapter meeting, 5:00 PM. Round Table Pizza, 530 Main Street, Pleasanton, CA. Take the Bernal St. exit East off of Hwy. 680, (South of the Hwy. 580 Interchange), turn left (North) on Main St. to Round Table Pizza (1-1/2 blocks away). Bob Snider, 510-278-0519, bsniderusa@yahoo.com

April 29, 2001 Pacific Coast Dream Machines, Half Moon Bay, CA, 650-726-2328. The Golden Gate Chapter will have a cruise to this event. Details decided March 24.

Mid America Chapter Makes Charitable Donation

At the annual holiday party, in lieu of door prizes, the Mid America Chapter chooses a charitable organization to contribute to. This year's recipient was the Ronald McDonald House in Kansas City, MO. Members made individual donations and the Chapter matched the amount raised for a total of \$500.

Falcon Photo Contest

We have had some great Falcon photos for the cover through the entire three+ years that I've been Editor. Now it's time for the first ever Falcon Cover Photo Contest. Submit your high quality color photographs and your photo could be featured on the cover of the December 2001 issue of The Falcon National News. The December issue is a full color double issue with full coverage of the National Convention.

What makes a good Falcon cover photo? For a starting point, I looked back through all the issues I have produced. For various reasons, these are my top ten favorite cover photos:

Nov 1997
April 1998
October 1998
January 1999
March 1999
September 1999
December 1999
March 2000
August 2000
January 2001

Also excellent : January 1998
April 1999
April 2000

©2000 David DeJonge

SOME GUIDELINES: Photos should be well exposed color prints, slides or high resolution digital files. Avoid heavy shadow areas where details are hard to see. Overcast days are perfect for soft, even lighting.

Be sure to include the entire car with some extra space on all sides.

Don't forget to include people in the photo, as well as Falcons!

Try to avoid distractions in the background. Although this can be difficult, consider this a "photo shoot" for your Falcon and search out a memorable spot. Look for unusual angles or locations.

Even though cars are basically horizontal, the cover is vertical. Keep this in mind when composing your shot. Photos of individual, multiple or partial Falcons, Falcon outings, Falcon shows and Falcon folk will all be considered.

Please credit the photographer and be sure you have written permission to have the photo published if it is professional work.

Include a paragraph or two about yourself and the Falcon. Tell us what you've done to it, who owned it before you, where the picture was taken...

Photos must be received by October 15, 2001 to be considered for the cover of the December issue. Any photos not used for the cover may be used in other parts of the magazine (Family Fotos, Feature Falcon). If you want your photos returned, please include a self addressed stamped envelope with sufficient postage.

All photos should be mailed to the Editor at the address on page 2. Please mark envelope "FCA Photo Contest." All entries must be received by October 15.

Happy Falcon Photography!

Wendy

Mile Hi Chapter Holds Holiday Party at White Fence Farms

More than sixty members of the Mile Hi Chapter attended the December 1st Christmas dinner evening at the White Fence Farm Restaurant.

The evening was organized by co-chair Marilyn Whisenand and Jan Brown with help from Bonnie Borgerding, Ann Botkin, and Mary Kay Mansfield.

Over 70 door prizes had been donated by Chapter members to be distributed during the evening. The Chapter expressed grateful appreciation to all who helped out in a great and generous undertaking.

The evening started at 6PM with everyone arriving dressed in their Christmas best. Members were ushered into a festively decorated private room at White Fence Farm. Members Lynn and Char Britten entertained everyone with their beautiful Christmas selections with help from "Santa Elf" Tony Cassio, sharing their talents and time to help make the evening special.

After a "Happy Half Hour" everyone was seated and the dinner service began. The staff was very friendly and attentive, the food was wonderful, as always at the White Fence Farm and everyone seemed to enjoy their choices.

Each person attending received a door prize and also a poinsettia plant was given to each family present, provided by the Chapter. The Chapter also covered the \$2.00 per person room charge that was part of the expense.

President Scott Smith held a short meeting to catch everybody up on the fact that since the November meeting and elections were snowed out, elections were rescheduled for January at John Elway Ford West. He also thanked everyone for coming and for attending so many functions throughout the year.

Additional grand prizes were drawn for and the winners of the 100% cash raffle were also drawn for. Six cash prize amounts were given out to help with future Christmas for Falcon shopping!

Everyone seemed to be enjoying the evening so much that after it was over, most everyone was still visiting.

The committee would like to thank everyone who participated, who helped, who came, who bought raffle tickets, and shared door prizes. Without all of you none of it would work!

LETTERS TO THE EDITOR

I have been a Falcon owner for 25 years and a club member for almost as long. I have been receiving the club newsletter since becoming a member and wow! Hasn't it come a long way?

In some issues of the newsletter, there is a list of new members with their assigned membership number. I have always known that the membership would pass the 10,000 mark someday. I have also wondered for years who would be the lucky new member that would be assigned that magic number of 10,000. I received my December issue today and found the answer to my long awaited question.

I would like to congratulate Mark Sword II for being assigned that number. Knowing that Mark is the grandson of Roy Sword, FCA Founder and Club Member #00001, and the son of FCA #1000, Mark Sword, Southeast Regional Director and assuming that Mark II may be the youngest member to date, it is very fitting that he receive this prestigious membership number.

Again, congratulations to Roy, Mark and Mark II.

Dolph Williams, #1208
Ruston, LA

Mark Sword II was presented with his FCA Membership Number 10,000 at the Awards Banquet at the Texas Regional Meet in Ft. Worth in October 2000. President Steve Springer is at the podium. Mark II was surprised by his dad, Mark, his grandfather, Roy Sword and Past FCA President Jim Hatcher.

NATIONAL AWARDS STANDARDIZED

A standard design for the Annual National Convention show winners was approved by the general membership and is now part of the FCA By-Laws. This design is to be used at **all National Conventions** and **only** at National Conventions. The design for First Place and Masters is 7 x 7, gold lettering on a black background. Class Winners are 6 x 6, silver lettering on a black background.

The plan is to have the Hosting Chapter for a National Convention purchase these from the Club Store. The Club Store is able to purchase them in quantity, keeping the design and quality consistent and the price down. The Hosting Chapter will inform the Club Store how many of each they will need. The Hosting Chapter will then purchase locally the plaques to attach to the National Award. Suggested plaque size for First Place and Masters is 10½ x 13 and Class Winners 9 x 12. The Hosting Chapter is free to "personalize" the bottom half as they see fit, perhaps with the Convention Dash Plaque as shown.

The design of the required awards (Oldest Falcon, Ladies Choice, etc) is left to the Hosting Chapter.

Chris Stupca
Gilbert Minnesota

1965 Falcon Futura

Chris Stupca of Gilbert, Minnesota writes "Well there's a pretty interesting story about this car beginning back in 1980. A guy by the name of Greg Dirtenger used to own this car back in high school. Greg was in the 12th grade and I was in the 5th grade. The lunch break for the high school was a half hour earlier than the grade school, so every day during lunch Greg would cruise the Falcon in front of the school and he was not shy with the throttle, if you know what I mean. Anyway, every time he would cruise by I would get up from my desk and run for the window to watch the Falcon go by. I got my butt chewed by the teacher every time. That car instantly became my

dream car and I told myself some day I would have a 1965 Futura Falcon. A couple of years after high school Greg smashed the car up so bad it couldn't be driven anymore so he parked it in a field and that's where it sat. I bugged Greg for the better part of 10 years to sell it to me but he wouldn't do it until 1995 when he finally gave in and I bought it for \$450. I worked on the car every chance I had. A year later it was finally done. I installed a 351 Windsor lightly modified with a C4 transmission, 10 inch tork, and 8 inch rear end with 411 gears. When I uncork the Headmen Headers and bolt on the 8 1/2 slicks it runs a 13.4 at 106. It's a fun daily driver!"

Richard Freeland
1964 Ranchero

Richard Freeland of Bakersfield, California sent this photo of his Ranchero. He has owned the Ranchero since 1965 and it was a daily driver until 1981. He began a complete restoration in April 1999 and finished in July 2000. The photo was taken at the Central California Falcon Club's Third Annual Picnic and Acr Show where it took 1st place in the Ranchero class.

1964 Falcon Futura

Richard and Cheryl Moisan purchased this 1964 convertible in May of 1996. It had been in storage in a trailer truck box for 9 years. It was all original down to the dash-mounted clock. In August of 1996 they drove the car to the Northeast Regional Meet from their home in Lunenburg, Massachusetts. At the meet, they won 3rd place in the 1964 Convertible class.

During the winter of 1997, Richard completely disassembled the car and stripped all the paint. The inner rocker panels were in bad shape, so replacements were made by a local sheet metal company with 12 gauge steel. After the structural pieces were installed the car went to their best friend's body shop where the finish work was complete. The paint is DuPont Chroma Premiere Phoenician Yellow, base coat, clear coat. The car has been a winner in recent years and Richard and Cheryl report that they "just love it."

Greg Miller of Warsaw, Indiana writes: "This 1964 Falcon Futura convertible was purchased new in 1964, by my parents, Glen and Jeanette Miller and the car has been in my family ever since. Mom drove the car daily for 10 years, it has about 35,000 actual miles.

It is equipped with 260 V-8, Ford-o-matic transmission, AM radio, power top, and wire wheel covers. Original list price was \$3050. The black vinyl interior, carpet, dash, door panels, seats, and steering wheel are all original and in mint condition. All gauges, radio, and heater are in perfect working condition as well as all exterior trim, grille, glass, bumpers, weatherstripping, top, and backlite. Paint is original except the hood; repainted in July 1999.

I wish I could find the words to describe the pride my parents took in owning this car."

1964 Falcon Futura

Dan Cwiakala of Stroudsburg, Pennsylvania bought his 1964 Falcon four years ago from a man who lived nearby. He had a number of old cars and just couldn't keep up with them. Dan had always wanted a 1964 or 1965 Falcon and was very excited about the nice condition it was in. It's a very original 170 6 cylinder with three speed on the column. It has only 36,000 original miles and he really hasn't had to do too much to it. Dan writes that he's been "very lucky with it, it's never broken down and she always starts right up, even in the dead of winter." He keeps it garaged. Dan is a member of the Keystone Chapter. He visited the Nationals in Charlotte in 1999 but his Falcon stayed home.

PICNIC RUN

by Cliff McKay, Wheat State Chapter

(SUNG TO THE TUNE OF THE BEVERLY HILLBILLIES THEME SONG —WITH APOLOGIES TO JED CLAMPETT)

Well, let me tell ya a story about our Picnic Run!
It sure as heck was a lot of Picnic Fun!

We gathered Wheat State Falcons and went a'lookin'
for some Fun,
And so over to the Eldorado Turnpike entrance The
Wheat State Chapter did Run!

Then five of our Falcons all took off from there —
And up the Turnpike in formation we flew!

We swooped down to
Cassoday alookin' for
some others,
& when we shot by what
did we spy — another
HiFlyer!

We kept on a comin' til we
hit Ottawa, where we
should've swerved,
But the bridge she was out
so it threw us a curve —
Detour that is! Kansas
wheat! Scenic tour!

We zigged & we zagged 'til we had it in the bag!
To meet our Mid America kin at the Ol' Gin Mill!
Oh! Cider Mill that is!

Over the hill & thru the woods, then there they was!
Perched at the Mill were 3 Mid-America HiFlyers a
waitin' in the sun!

Then after a brief interlude off we soared into the sun,
Over to Wendy & Jim's for some more Falcon Fun!

We swooped into their nest for Falcon Picnic Fun,
& there we met the rest of our Mid-America sons!
The Food, Friends, & Fun were all very well done!!

We had 16 Falcons there
for BBQ Fun! So many
kinfolks I lost count!
All HiFlyers without a
doubt! We enjoyed our-
selves immensely!!!

Too bad ya'll didn't come!
Thanks to Mid-America
for a whole day of Fun!
Hopefully next year ya'll
will come,

Down to Wichita for some

Wheat State Picnic Fun!

Ya know we're glad to have ya' on a fellow Falcon Run.

Cliff McKay is the President of the Wheat State Chapter. He owns several 1964 and 1965 Falcons.

WHY A FALCON CLUB?

FCA was formed to band together owners of the Falcon automobile to provide an exchange of ideas, technical information, amusing reminiscences and the availability of parts (often at a substantial discount). Lasting friendships are formed through local get-togethers and at the Club's National Meet each year.

WHAT MEMBERSHIP MEANS

Whether your Falcon serves as everyday transportation, a relaxing plaything, or both, you'll find valuable help in your preservation and restoration as well as interesting facts and information from the Club and many fellow Club Members.

Our Newsletter, "**THE FALCON NEWS**" is sent out each month to all the Club's Members and contains information so valuable you will want to file it away for future reference.

WHO BELONGS?

FCA has people of all ages — from retired folks to teenagers still in school. Among our members are men and women of all professions; individuals who could certainly afford more costly or newer cars if they chose.
